

NEW!

SIDKICK

COMPACT U-LOCK

SIDEKICK is a **NEW** addition to the OTTOLOCK family, designed for preventing bike theft by itself or together with a cinch lock for added security. **SIDEKICK** is set apart from other U-locks by its compact silicone-coated form factor and lightweight size, making it easy to stow in a backpack. **SIDEKICK** weighs just 1.65lbs!

SPECIFICATIONS

- **LIGHTWEIGHT:** Weighs only 1.65lbs (750g). Compare vs. other U-locks.
- **COMPACT:** Fits easy in many bags or packs. Opening size is 2.75" x 5.75" (7cm x 14.5cm) - capable of locking single tube to post.
- **NON-MARRING:** Silicone-coated lock body. Two colors - Black or Orange. Available in a cinch lock bundle too.
- **STRONG:** Double-shackle 12mm hardened steel with anti-rotation deadbolt - Medium security U-lock.
- **KEYED:** Two keys included. Don't lose 'em!

The OTTOLOCK brand is evolving to offer choice on the convenience v. security spectrum.
